About EFIM

The European Federation of Internal Medicine (EFIM) was founded in 1996 from the Association Européenne de Médecine Interne (AEMI). AEMI itself had been founded in 1969 by members of the UEMS monospecialty section on internal medicine to provide a scientific organisation for European internal medicine.

EFIM was formed by bringing together the national societies of internal medicine from each of the European countries, both inside and outside the European Union, and it currently comprises 42 member Societies representing over 60,000 internists.

The purpose of EFIM is to re-emphasise the importance of Internal Medicine in a world of increasing specialisation.

This also applies in the case where the speakers have already been invited by the Congress. In this case, the company will support the amount of nights as per congress policy.

Product Theatre Session

Meet with attendees and key decision makers to share your new research outcomes, discuss your clinical protocols, and conduct product demonstrations of your new products and services. Product Theatre sessions are 30 minutes in length and will be held in a designated area(s) in the exhibit hall, which is set up in theater style for 50 attendees. No other sessions of the scientific program will run in parallel but may run concurrent with other corporate sponsors.

Product Theaters provide a high value, live educational opportunity for hosts to reach engaged healthcare professionals. These sessions deliver a platform to gather and discuss issues on patient education, specific products and therapeutic areas

Located in the Exhibit Hall, Product Theatre provides an opportunity to:

- Highlight and demonstrate new and existing products.
- Provide up-to-date research findings.
- Give product details in-depth.
- Demonstrate products.
- Distribute branded materials.

Congress Lanyards

- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.

Notepads & Pens

Supporter will provide funding for the Notepads & Pens for the participants. Notepads & Pens will bear the ECIM logo and the Supporter's company logo and will be distributed in the participants' Congress bags.

Mobile app

The Congress App engages attendees with personalised planning tools and real-time event updates. The App transforms smartphones, tablets, and laptops into tools for active congress participation and makes it easy for participants to access congress information to connect with speakers and colleagues. The App includes the scientific program, abstracts, speaker information, participant lists, the rating/voting system for sessions and speakers, and a personalised scheduler. The App can be downloaded from the Apple App Store and Google Play. Congress App sponsorship support includes:

- Supporter acknowledgement on the splash/pop-up screen of the App: "Supported by: company name/logo" (product logo not permitted).
- 2 "push notifications" included in the sponsorship package.
- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.

- Material should be provided by the Supporter and approved by the Secretariat.
- Supporters' product information will be available for all Conference participants.
- The distribution arrangement will be advised.

Educational Support Opportunities

Medical education plays an important role in the quality of healthcare delivered across the globe. Physicians, researchers, scientists, and other healthcare professionals are increasingly challenged to maintain their knowledge, skills and abilities within their respective professions. By providing an educational grant in support of the educational opportunities below, you will make a vital contribution to these efforts and support better patient outcomes.

All educational grants are managed in compliance with relevant CME accreditation criteria and industry compliance codes. In order to ensure independence of all CME accredited elements, companies providing grants may not influence the topic, speaker selection, or any other aspect of the content or presentation. No promotional, commercial, or advertising materials may be included in the following opportunities. All support will be disclosed to participants.

All grants are managed in compliance with relevant accreditation and industry compliance criteria.

Educational Grant

Independent educational grants, dedicated to the educational mission of the Annual Congress, are appreciated and important to the success of the event.

- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.

Educational Grant in Support of Existing Scientific Session

Educational Grant in support of an Existing Official Session accepted or invited by the Scientific Committee and supported by a grant from the industry.

- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.

Educational Participation Grant

BROS Group will take on the responsibility for indirect sponsorship for ECIM 2025. The industry will entrust the BROS Group and provide educational grants directly, and BROS Group/EFIM will be responsible for participants (HCPs) pre-selection.

Educational Participation Grants of any amount are appreciated and important to the success of ECIM 2025.

Recipients (HCPs) will need to fulfil the criteria specified by EFIM in order to be eligible to apply for an educational participation grant. Accepted grant recipients will be contacted by the ECIM Secretariat.

- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.
